

COMMENTS FROM THE MAYOR By Charles Jessup

April Update

A year ago we were talking about the weather holding up the revitalization of our Waste Water Treatment Plant. We have not only finished that but we have almost completed the upgrades that will allow us to produce a TCEQ approved Type 1 water to use for plant operations and for filling our new lake. As we move forward with this very "green" project, we will also begin saving money by using this water for irrigation of our parks and esplanades. We were also talking about the conversion from a Type 4A to a 4B EDC (Economic Development Council). This has been accomplished, two additional members were added (Tracey Spiller & Clyde Little) and the first joint Council / EDC workshop was held to discuss ideas for the future and pave the way for an action plan.

A year ago we were also talking about the importance of filling in our 2010 Census reports. We did a great job, best return percentage of any city in Ft. Bend County. We officially have 4660 residents. This is down a bit from the 2000 census but up from when we first incorporated. We are a very stable community. The breakdown details of who we are is still coming in. Check our website for a link to the Census Bureau.

Other update items include the progress on the West Airport Project. The engineering is now 60% complete. This is a TxDot milestone that triggers various actions. Councilman Rick Staigle has been spearheading this project for the city. His knowledge and expertise are a great asset for the city and continue to save us thousands of dollars on fees and expenses. Thank You Rick. Expect the engineering for Airport to be complete this summer when we will be able to take bids for construction. It will be nice to have Airport and Kirkwood redone so we can use our road repair budget on internal streets.

BEHR Colors Kickoff

By the time this is printed, the Kickoff will have taken place. Hope you attended. Free Paint giveaways, crawfish, music, a trolley, paint tips by experts, food and fun for all ages were part of the plan. Council member Shirley Isbell and Parks Director Monya Keenen worked very, very hard to make this a memorable event.

Regular City Council Meeting
City Hall 7:30PM

Did You Know?...

Did You Know... the State sent inspectors to inspect and validate any & all the work the City had done as a result of Hurricane Ike? This was part of an assurance program to make sure that we did the work we said we did and that we got reimbursed or partially reimbursed for. We passed with flying colors! This is because we not only did the work we said we would, we kept outstanding records which were easily verified. Congratulations Team!

Did You Know... that Meadows Place was one of only four cities to participate in a Q&A on the upcoming 'Smart Meter' Project put on by CenterPoint Energy? Public works Director Dan McGraw said it was invaluable. In fact he is developing a program to assist the homeowners here with the transition and is going to put a CenterPoint Smart Meter video on our website. (It might be there by now so check it out.) Talk about moving into the future - these meters can do it, especially when you get App TV. The tekkies are going to love them - and people like me will not know, or don't have to know, the difference. If I don't want to know the pull from my refrigerator and when it is pulling the most...I don't have to. But they are amazing. Keep an eye out for upcoming articles from Dan.

Did You Know... that the PD responded to a call to a home that had been placed by a neighbor who "thought they heard something"? This led to MPPD pulling up on a burglary in progress. A chase ensued but the bad guys were apprehended and given a new place to live. With bars. The point is, if you hear or see anything that doesn't feel or look right, CALL THE POLICE! Their motto is "We would rather come to nothing than not to come to something we should have".

Did You Know... Meadows Elementary teacher, Stacy Garcia, who grew up right here in Meadows Place, is one of the six FBISD Elementary Teacher of the Year finalist? Wow. What an honor. There are 45 elementary schools in FBISD so to even be considered is an honor, but to be a finalist is VERY

impressive. I know her students, Principle Cobos, and her parents, Doug & Arlene Schroder are all very proud of her. Just one more example of great things being done by great people right here in Meadows Place. Congratulations Stacy!

Did You Know... Parks Director Monya Keenen helped Remax Elite host a Veterans Information Conference here in Meadows Place?. The VA used our Community Center so Vets could hear from several different Veterans Agencies at one sitting. They said it provided a much nicer atmosphere and the Veterans that attended were able to get the maximum benefit & full attention of the presenters. The seminar got rave reviews for the personal attention and was so successful they are going to do another one in June. If you know a vet, give them a heads up. Look for details in the June Newsletter or call City Hall for the date. Thanks Monya, you make us all Meadows Place Proud!

Did You Know... Randy Vaal was running a patent search and out of curiosity, ran one for Patent holders from Meadows Place? To his surprise, there were a dozen of them with a myriad of patents held. As he said "We are on the map with the Patent Office!". Just goes to show that Meadows Place is a perfect place to live for great students, great teachers and great thinkers! Thanks Randy, this is a great Did You Know.

Did You Know... the Meadows Elementary Spring Carnival is coming up on Friday, April 15, 2011 from 6:00 pm to 9:00 pm? Don't miss the Rides, Games, Silent & Live Auctions, and all the yummy Food you can eat! Tickets are available at Meadows Elementary before the carnival and you can buy them at the carnival, as well. All proceeds benefit Meadows Elementary. Special thanks to all our sponsors and everyone who will make this event a success. Hope to see you there!

If you have someone YOU are proud of, or something of interest pertaining to Meadows Place, drop a Did You Know note at City Hall for or email: mayor@cityofmeadowsplace.org. Thank You!

Did You Know...

that the deadline for the Home & Garden Club Scholarship is April 30th? For the past 17 years Meadows Home and Garden Club has been providing scholarships to deserving Meadows Place college students. This year they are offering \$1,000 to a student who is, or will be, attending a college or university in 2011. The rules and an application can be found on the city website. www.cityofmeadowsplace.org. Good Luck !

(continued on page 3)

Thanks to the 10 Meadows Elementary students (Alissa Weatherford, Lena Hickox, Krees Johnson, Natalie Tulloch, Michael Brough, John Fallon, Rebecca Spiller, Chris Villarreal, Mathew Ogura, and Andrew Wittmann) for drawing names for the 10 Free Paint winners and thanks to Chad Shreve (baseball), Shelly Brough (swim team) and Kay Ewing (Home & Garden Club) for pulling the names of the three families who a won free home makeover courtesy of BEHR Paint. The purpose of this ‘Kickoff’ was to emphasize the new pre-approved exterior paint colors the city selected to make it simpler and easier for you to paint your home. It is also part of the program to set esthetic standards for the city which are now uniformly enforced through our Code Enforcement department. Everyone knows how important it is to have high esthetic standards to protect our property values. Paint standards are a big part of that, as are repairs, mowing, tree trimming, etc. High standards and a little elbow grease will protect the investment we have made in our homes and help ensure Meadows Place will always be...**Your Place for Life!**

Deputy John Norsworthy Benefit

Deputy Norsworthy, of Fort Bend County Sheriff’s Office, was killed in the line of duty on January 4, 2011. He is survived by his wife and two children. A benefit at George Ranch was held to help with the loss and expenses incurred as a result of his death. It is with great pride the Meadows Place Police Department and Fort Bend County Sheriff’s Office express our gratitude to the following contributors to the Deputy John Norsworthy Benefit:

- Pro Clips
- Denny’s
- Virtue Tattoo
- Discount Tire

Taking Care of Business

Our Business Neighbors are a very important part of the City. This column is dedicated to those businesses.

Our official Vision Statement say Meadows Place values :

“ Commerce that embraces and builds upon our small town character and values”

Our businesses need, and deserve, our support

Thank You

COP TALK

By Chief Mike A. Baker

What Parents Can Do About Cyberbullying

(This is the second of a 2 part message on cyberbullying)

Parents can help stop cyberbullying. You can start by talking to kids about the issue and teaching them the rules below that will help prevent cyberbullying from happening to them or someone they know.

What Kids Need to Know:

- Never give out personal information online, whether in instant message profiles, chat rooms, blogs, personal websites, or through social media sites.
- Never tell anyone but your parents your password – not even friends.
- If someone sends a mean or threatening message, don’t respond. Save it or print it out and show it to an adult.
- Never open emails from someone you don’t know or from someone you know is a bully.
- Don’t put anything online that you wouldn’t want your friends or classmates to see.
- Don’t send messages when you are angry. Before clicking “send”, ask yourself how you would feel to receive the same message from someone.
- Help kids who are bullied online by not joining in – and showing bullying messages to an adult.
- Always be as polite online as you are in person.

Since most cyberbullying takes place at home, it is important that parents know about cyberbullying - and that they get involved in preventing it. Just like parents help their kids avoid inappropriate websites, they can protect them from cyberbullying.

What Parents Can Do:

- Keep your home computer in a busy area of your house.
- Set up email, social media, and chat accounts with your children. Make sure you know their screen names and passwords – and that they don’t include any personal information in their profiles.
- Regularly go over their buddy/friend lists with them. Ask who each person is and how your children know them.
- The National Center for Missing and Exploited Children has a list of acronyms you can print and post by your computer – www.missingkids.com.
- Discuss cyberbullying with your children and ask if they have ever experienced it or seen it happen to someone.
- Assure your children that you won’t blame them if they are cyberbullied. Emphasize that you won’t take away their computer privileges – this is the main reason kids don’t tell adults when they are cyberbullied.

For helpful information on this and a variety of topics, visit the National Crime Prevention Council website at:

www.ncpc.org

By Kathi Sutton

HOME STAGING

As homeowners, we are all impacted by our neighbor's whether the impact comes from living style, friendliness, courtesy, home maintenance, aesthetics and home value. My position as a Code Enforcement Officer is to protect your home value. What your neighbor is able to sell their home for helps to determine what your home is valued at. It is to our benefit if a home sells for a higher dollar amount.

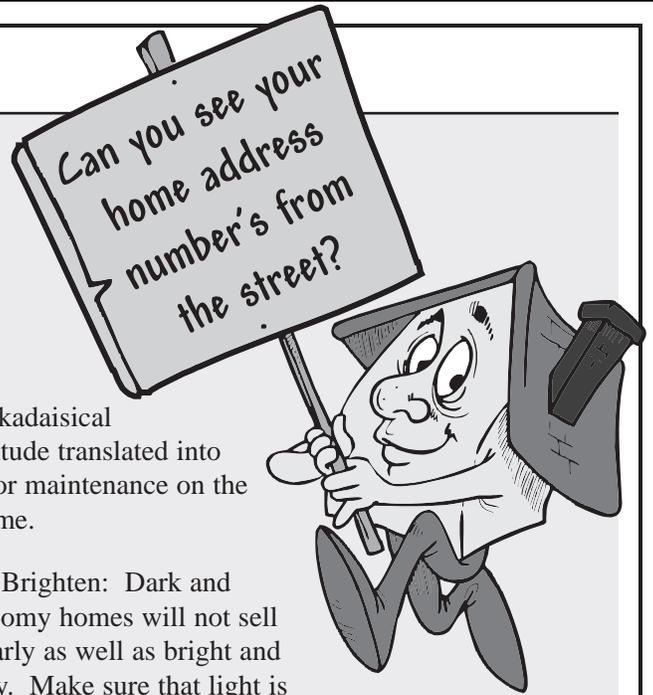

If you are in the process of selling your home, then it's possible that a realtor has mentioned the act of "Home Staging". Home Staging is the act of preparing a home for sale, and its value is definitely not something to overlook. Statistics indicate that a home that is properly staged for sale can reduce the listing time by one third to one half, and that staged homes generally sell for 10-15% above the dollar amount of a non-staged home.

When staging a home the goal is to make the home as appealing as possible to the highest number of potential buyers. The best way to look at the process (if you are the seller) is that your home is a "product".

1. Start Fresh: Making an impression starts at the curb. Make sure that the exterior of the home is pristine and to the detail of mailbox, house numbers, flower beds and porch light. Cleaning a house that you want to sell seems like a given, but you will need to go beyond vacuuming & mopping. Clean the home from top to bottom. Start with the floors, and work your way up the baseboards. Don't forget minute details; such as, vents, faucets, baseboards, windows & mirrors.

2. De-Clutter: The down-sizing seems to be the hardest for most folks. Remove any furniture that impedes the flow of traffic through the home, or oversized, and outdated furniture. If the sofa has seen better days, then a slip cover may be the answer, just make sure that it is secured neatly into place. Remove any "collections", or family photos, or taste-specific decor. Remember that you want potential buyers to be able to envision themselves living in your "product". If you don't know where to begin, then go tour a few "Model Homes" and get some ideas.

3. Enhance: Paint the walls and trim in neutral color tones, and make sure that you take the time to be neat with your work. A poorly painted house is sure to be noticed, and the potential buyer will wonder if your

lackadaisical attitude translated into poor maintenance on the home.

4. Brighten: Dark and gloomy homes will not sell nearly as well as bright and airy. Make sure that light is allowed to flow into the home, and that light fixtures are working properly and focused on the effect of making the room look larger.

5. Pets: You may be an animal lover, but the potential buyer may not. Clean up pet hair daily, and litter boxes too. Make sure that the pet is crated or removed from the property during every showing of your "product".

6. Spend a little: Don't leave replacements and upgrades to the new home owner. The simplest and least costly items will have a bigger impact than you realize. Outdated and worn items; such as, light fixtures, faucets & caulk, door & cabinet hardware, and window treatments should be replaced and those details will stand out to potential buyers,

Don't rush to get your home on the market, make sure that it is ready to show the day you list it. You are going to want to make sure that your home is more attractive than the competition. The appeal of a "move in ready" home is hard to beat. The appeal for the seller who stages their home will be a home that sells faster and for more money.

Home & Garden Club

By Beverly Martin, Publicity

The Home and Garden Club is still accepting applications for the Scholarship Award. Applications can be picked up at the Dulles High School counselor's office or on the Meadows Place website. For more information call Lou Ann at 281.568.2989. Entry deadline is April 30th.

Please join us at our April 5th meeting. We meet at 7:00 pm at the Community Center. Guest speaker, Shelly Nicodemus from the Fort Bend Sex Offenders Department will present "Sex Offenders Awareness." You do not have to be a member to attend.

Lunch Bunch will dine out on Thursday, April 20th, 11:00am at the Olive Garden. For information call Kay at 281.933. 0729.

Spring is here and the Garden Club will begin judging Yard of the Month from May through August. Judging takes place on the last week-end of the month. Guidelines for selection are:

1. Overall landscaping as seen from the street: variety / symmetry.
2. Lawns: condition / manicure.
3. Shrubs: condition / quality / suitability.
4. Trees: condition / quality / trim.
5. Annuals and accessories: seasonal / color / harmony. (No artificial plants or flowers.)

Gardening tip: To attract hummingbirds, plant red or orange flowers such as Columbines, Salvias, Lilies, Azaleas and Gladiolus. To attract butterflies, plant yellow or purple flowers such as Black-eyed Susan's, Marigolds, Golden Alyssum, Verbenas, Petunias, Butterfly Bush and Purple Cone Flower.

Message From the Pool Manager

By Kristina Hickle, Pool Manager

Summer 2011 is going to be full of fun activities, events, and classes for all ages! The pool will be open soon, and I want to remind everyone of a few pool policies to ensure we all have a fun and safe summer.

- Appropriate swim wear is required. If you are concerned about excessive exposure to the sun, rash guards are permitted to be worn over the bathing suit.
- Children ages 8 and under MUST be accompanied by an adult or guardian. If your child is 8 or younger, he or she cannot come to the pool by themselves.
- Lifeguards are in charge at all times. Failure to obey the lifeguards can result in suspension from the pool.

Look in the May newsletter for classes and more information

Stars & Stripes Over Meadows Place! by Boy Scout Troop 731

2011

As the sun rose on Memorial Day, Flag Day, Independence Day, and Labor Day 2010, the streets of Meadows Place took on a bold new patriotic look. Over one hundred fifty residents subscribed to the *Stars & Stripes Over Meadows Place* flag service. Some of our streets woke up to see that more than half of the homes presented a prominent Red, White and Blue, high quality flag, proudly flying from a tall straight flag pole which was securely and uniformly placed just off the curb in front of each subscriber's home.

We wish to express our sincere Thank You to those who have subscribed to this Flag Service, for supporting Boy Scouts and for expressing the patriotic spirit on the holidays when we honor America.

To those who have not yet subscribed, we extend this invitation and ask for your support. **(NOTE: Flags approved by the City of Meadows Place)**

Troop 731 will proudly post an American Flag in front of your residence on each of the following national holidays: Memorial Day, Flag Day, Independence Day, and Labor Day. (On Veteran's Day, the scouts are usually in school so flags will NOT be placed in front of homes that day).

For subscribers, a flag holder (PVC pipe) will be placed underground in your front yard, approximately 12 inches back from the curb. On the morning of the four national holidays listed above, Troop 731 will post an American Flag approximately three by five feet in size on a metal flagpole approximately 10 feet high. Troop 731 will then return in the evening to retire the flag and flagpole and store it until the next holiday.

Note: The flags and flagpoles are the property of Troop 731. You are purchasing a subscription service and NOT the flag or flagpole itself.

If you have any questions, please call Dan Tevis, Flag Fundraiser Chairman for BSA Troop 731, at (281)235-8955 or (281)564-8581.

The subscription cost is \$25.00 per calendar year, paid in advance. To subscribe, please complete the following information and return this form with your \$25.00 donation to:

BSA Troop 731

Re-Elect Rick Staigle

Meadows Place, Alderman, Place 5

Qualified:

- Understands the City's business – City Council (6 years), Planning and Zoning (3 years), Meadows Place Citizens Police Academy
- Saved the City money through his engineering knowledge on projects such as West Airport Reconstruction. He is the President of Traffic Engineers, Inc.
- Streamlined Budget Process by developing a 5 year spreadsheet and identifying where cuts could be made, reducing the City budget.
- Resident of Meadows Place for 13 years

Recognized by his peers:

- Texas Municipal League Region 14 – 1st Vice-President (18 counties including and surrounding Harris County). I can only be a part of TML if I remain on City Council. I would move up to the TML State Board of Directors in 2 years.

Involved (Locally and Regionally):

- Boy Scouts of America - Pack 301 and Troop 731
- Fort Bend Chamber of Commerce Board of Directors
- Greater Houston Partnership
- Institute of Transportation Engineers

Goals for Meadows Place:

- A Safe Place To Live
- Maintain Fiscal Responsibility
- Improve Infrastructure
- Attract Quality Businesses
- Attract Quality Residents
