Any camper with hair to their shoulders or longer will be required to have their hair pulled back for safety. All campers MUST follow all pool rules. All campers will wear lifejackets while participating in water activities at the lake. We will spend time boating.

Things from Home

Parents are asked to help keep personal items at home: Books, toys, trading cards and electronics. (Occasionally there may be a special event or opportunity to bring an item, but you will be made aware.) All campers are to be individually responsible for their personal items. Keeping track of personal items will be supported by camp staff, but responsibility is upon the camper. ALL weapons or gun style items must remain at home.

Sun Exposure

Our staff is vigilant and wants to help our campers protect themselves by doing the following:

- Wear a hat!
- Wear protective clothing – light colored and loose.
- Wear waterproof sunscreen to camp each day – minimum SPF 15 and apply 30-60 minutes before exposure. Remember ears, tops of feet, and the neck. Use sunscreen in hazy, cloudy, and foggy weather. Reapply sunscreen regularly.

Our staff help reapply sunscreen regularly to campers.

Dressing for a Day at Camp

A Few Tips to Make it a Great Day

- Dress your child(ren) in comfortable clothing that can get dirty!
- **LABEL EVERYTHING WITH FIRST AND LAST NAME!**
- Campers should wear their bathing suit to camp daily, girls under underneath their clothing, boys as their shorts.
- We require all campers to wear gym shoes every day. They are safe for running and the variety of camp activities we enjoy.
- Please send a bag/backpack daily, clearly marked with first and last name.
- The bag should contain underwear and clothing to change into after swimming, a towel, a hat, and sunscreen. The sunscreen must be labeled with camper name, and we suggest it be in a Ziploc type bag. Please apply sunscreen to your camper in the morning and we will reapply throughout the day. Due to allergies and sun sensitivities you must send sunscreen each day.
- Dress appropriate for weather (i.e. windbreaker, sweaters, sweatshirts for cold windy days- packed if not worn; and a raincoat for rainy days- we have indoor facilities, but we move about camp).

- DON'T FORGET YOUR WATER BOTTLE!
- **LABEL EVERYTHING!!!**
- If you choose to send insect repellent it must be in lotion form and labeled with your camper's first & last name.

Medications

Except under unusual circumstances medication should not be sent to camp. If medication is to be administered at camp or held at camp for emergency purposes (i.e. Epi Pens, inhalers, Benadryl), please follow these guidelines:

Prescription and nonprescription medication shall be given only with a completed written authorization form. All medications must be in their ORIGINAL CONTAINER with the current prescription label or direction label attached. Medication must be labeled with the child's name. No loose or unpackaged meds will be given.

Allergies

Any camper with known allergies that could lead to a severe reaction must bring an appropriate treatment kit to camp. Food allergies must be indicated on the registration form.

Proactive Communication

If you know that your child(ren) will not be attending camp on a specific day, prior to that day please let us know via email. If your child wakes up ill, please let us know your child is not attending as soon as possible via email. **Email recreation@cityofmeadowsplace.org.**

We will do our best to communicate issues that occur at camp to you in the most timely manner. We would appreciate the same from camp families. If there is a change in your household situation, family routine, etc. please let us know so we can help your camper adjust

Discipline Policy

If a camper is disrupting the program, creating unsafe conditions, or displays disrespect to staff and/or peers, the camper may be removed from the program. Typically, we follow a 3-occurrence system to help determine dismissal.

Discipline Procedure

1st Major Occurrence-warning from staff and parent/guardian will be contacted to discuss behavior

2nd Major Occurrence-2nd warning from staff and parent/guardian will meet with Camp Director to discuss problematic behavior. Possible suspension for remainder of camp day or remaining week of camp.

3rd Major Occurrence- Camper will be withdrawn from the program and will not be allowed to return. Parent/guardian will be contacted.

Camp Discovery has a zero-tolerance policy for violence. If your child engages in a violent act causing harm to another or self, they may be immediately suspended or dismissed from camp. **No refunds will be given for discipline related suspension or dismissals.**
