

IMPORTANT NOTICE: UPCOMING ROAD CONSTRUCTION & TRAFFIC SWITCH

Dear Resident,

To improve our local infrastructure, we will soon begin construction work on Dorrance Lane. To minimize inconvenience, we want to keep you informed of upcoming traffic changes that will affect access to the area.

What to Expect:

Traffic Switch: On 11/04/2024, traffic on Dorrance Lane will be redirected to accommodate construction. Please follow all posted signs and directions from traffic personnel. This phase will be the south side of Dorrance Lane from Oxford Glen Lane east to Bloomington Lane. Traffic flow will be westbound only. All Traffic will detour around Dorrance Lane.

We are working on laying some underground utilities first, with minor concrete removal pavement removal will begin at the intersection of Oxford Glen Lane and Extend 500' to the east beginning November 11th, 2024. Residents in this area will not have access to their driveways. Residents whose driveways have been removed will be able to park on the remaining 300' of this construction zone of Dorrance Lane towards Bloomington Lane.

Temporary mailboxes will be installed across the street for residents that are having their pavement removed. The contractor shall coordinate with Postmaster for the USPS and UPS on construction and mailbox relocation.

Residents that have their pavement removed shall place their trash/recycling across the street on Tuesdays and Fridays for pick up. The contractor shall coordination with Texas Pride on trash pickup for each phase of construction.

Estimated Duration: The construction work and associated traffic changes are expected from 11/04/2024 to 11/29/2024.

We appreciate your patience and cooperation as we work to improve your community's roads. If you have any questions or need further information, please contact me
