Mayor Mark McGrath

COMMENTS FROM THE MAYOR

By *Mark McGrath*

New Pharmacy in Meadows Place

On March 23rd, Council reviewed the results of the sealed bidding process for the 4.55 acre tract the City owns at the corner of West Bellfort and Dairy Ashford. As discussed last month, CVS Pharmacy had indicated an interest in locating a store at this site.

CVS was the sole bidder on the property. Council awarded the sale to them at the bid price of \$1,225,000 with the City paying closing costs. The sale is subject to the satisfactory preparation of a deed and other conditions, which may take several months to consummate. Assuming this takes place, CVS intends to open the store near the end of this year.

The site plan shows the store will be located on the Dairy Ashford side of the property. The eastern portion of the property will be dedicated for storm water detention. An additional pad site, which may be used for a restaurant, will be located between the detention area and the CVS store.

CITY 20TH ANNIVERSARY/ PARK DEDICATION

2004 is a special year for the City of Meadows Place. We are celebrating our 20th year in existence as a City of Meadows Place.

In recognition of this milestone, a 20th anniversary celebration is planned for Friday evening, April 30th from 6:00 — 9:00 p.m. Free food and drinks will be provided for those attending. A moon walk will be set up near the park for younger children. Swim Team will be serving funnel cakes. The Parks and Recreation Department will be selling Barefoot N Friday tee-shirts for \$5.00. All kids that wear their BFF (Barefoot N Friday) tee-shirt on August 6th will get in free.

The park dedication will be at 7:00 p.m. with food following. While celebrating our 20th anniversary, we will recognize an individual who served us first on City Council and then as Mayor from the inception of the City until his retirement two years ago. Jim McDonald worked tirelessly in service to his passion: establishing a City that not only serves residents today, but one that would be in existence for a long time.

In recognition of Jim's service to the City, a special City Council committee consisting of Joe McCann and David Piwonka recommended that the four acre park at the corner of Dorrance and Pender be renamed in Jim's honor. Council agreed this is a fitting tribute to a man who has given us so much in his many years of service. On April 30th, please join City Council and City staff in celebration of our 20th anniversary and dedication of Jim McDonald Park.

MEADOWS COMMUNITY IMPROVEMENT ASSOCIATION

MCIA MISSION STATEMENT

The purpose of the Meadows Place Community Improvement Association (MCIA) is to serve the City of Meadows Place (City) by enforcing the Deed Restrictions and convening as the Architectural Control Committee for promoting the overall appearance and value of the City. This is accomplished by the MCIA working to ensure:

- ¥ *Aesthetic appearance*
- ¥ *Enhancement of property for appreciating investment*
- ¥ *Ensuring a place people desire to live*
- ¥ *Cohesiveness of community and citizens through pride of property and neighborhood*

CITY OF MEADOWS PLACE WEBSITE

Under the tab for Public Information you will find the link for the MCIA. www.cityofmeadowsplace.org.

WINDOW AIR CONDITIONERS

Window units that are visible from the street are prohibited! This includes those placed in windows on the sides of homes. Please assist in keeping our City and our homes aesthetically tasteful.

FRESHENING UP FOR SPRING

We have had some nice weekends where it is ideal for being outside. Now is a good time to clean up flowerbeds and shrubbery. Prior to trees and shrubs putting out new growth, this is a great opportunity to trim them back, especially so they do not block doorways and windows. Not only does this spruce up your home but also makes the entrance areas safer. Another suggestion, before the weather gets too hot, is to use these pretty weekends to grab a power washer and remove some of the mold and mildew that has accumulated on bricks, siding and tile roofs.

MCIA BOARD MEETINGS

The MCIA Board meets on the first Thursday of each month. If you have a concern that needs to be brought to the attention of your MCIA Board and would like to be placed on the agenda, please contact one of the board members. All meetings are held at City Hall beginning at 7:30 p.m.

Members:

Mike Schofield 281-575-7471, Cathy Jacobson 281-933-8333, Steve Court 281-498-4334
Diann Hamilton 281-495-4038, Sherry Carlson 281-879-1359

At the March 13th Garden Club meeting members and guests enjoyed a colorful slide presentation by Master Gardner, Wayne Rhoden on the use of natural plants, vines and trees and how they can be worked into our residential landscaping.

Yard of The Month selection began the last weekend in March. The winners in each section for the month of April will be announced in the next newsletter. Judging will continue through the last weekend in August and the September awards will end the summer season.

New board members elected at the April 13th meeting will be welcomed into office at the club's annual In-and-Out pot luck dinner on May 4th. Installation of officers will follow a banquet for members and husbands at the May 11th meeting.

CITY ORDINANCE/ CODE ENFORCEMENT

As we welcome spring and the grass begins to grow, please remind your landscaping company to place bags of grass cuttings out of sight until scheduled trash pick up. It helps in keeping the City looking nice. Secondly, let's remember that the City of Meadows Place recycles! You have two ways to recycle. The City provides convenient curbside service for paper, aluminum and plastic and Meadows Elementary has recycling bins located at the back of the school for newspapers and magazines. Money collected with the school recycling program goes back into the school. Curbside recycling helps to defray the cost of city trash service. So don't forget to take advantage of these opportunities.

VEHICLE STICKERS

Meadows Place vehicle stickers are available at City Hall for your vehicles at the cost of \$1.00 each. While the stickers are optional, they do identify your vehicle as belonging in Meadows Place and are an aid to the Police Department. Be sure to bring your vehicle identification number and license plate number when applying for a sticker.

GARAGE SALE DATES

Garage sales are limited to the last weekend of odd numbered months (January, March, May, etc.) Weekends are defined as Friday and Saturday. Residents may have up to 2 garage sales per year on the designated weekends. A garage sale permit is required. Please refer to the dates shown below for garage sale dates.

??Did You Know??

 **Did You Know** That there is a new BBQ pit in the enclosed park at Pender & Dorrance up by the school. It was a collaborative effort and a great big Thank You goes to Councilman Joe McCann for his expertise and assistance. Put April 30th on your calendar and be at the park between 6 and 9 pm. The park will have new lighting, the new BBQ pit and a new name. There will be fun and games and FOOD! Also, the School Carnival is on Sat. the 17th, 11 to 4. Drop by, it will be fun, help the school and is really one of those events that helps build community!!!

 **Did You Know** that the BBQ is not the only new thing at that park. Cathy Burke, leader of Girl Scout Troop 3025, helped oversee the efforts of a new 2nd grade Meadows Place Brownie Troop as they planted Sago palms in the planters at the park entrance. They look nice. The Brownies want to thank all the folks here in Meadows Place who bought cookies this year which helped pay for the palms. Just goes to show, what goes around comes around. Thanks girls.

 **Did You Know** that with the summer swimming season coming up fast, the Parks Department has been busy trying to find a new pool manager. After a lengthy and far reaching search, they found the answer right around the corner. He has local ties and has been with the Sugar Land Fire Dept. for 15 years. His name is Scot Herff and he brings a lot to the table. His expertise, experience and training can only benefit our City and help our award winning lifeguard staff be even better as they look after and protect us at the pool. More kudos to Terry & Monya!

 **Did You Know** that now that Spring has sprung, there will be more and more people on the move, especially those who are responding to the Governor Perry's fitness challenge. Ted Tucker wants to remind us in Meadows Place that we need to be careful about letting our dogs be on the loose and how serious that can be. Especially now that we will have children heading up to the parks to play. Remember, you are in

fact responsible for the actions of your pets so let's keep Meadows Place a great place to live.

 **Did You Know** if you weren't at the last Council meeting you missed a good one. Mayor McGrath, and Council were all smiles as they passed an ordinance which would allow the Mayor and City Secretary to enter into the agreement to sell the corner at Dairy Ashford and Bellfort to CVS Pharmacy! Dave Wilkens and the other folks in attendance were smiling too as they realized the potential for the City.

Speaking of the City Council Meeting, the Police Department told us all the things they did last month and boy were they busy. One item was the fact that they did 187 House Watches for us last month. That is a service they perform for us when we are out of town for a night, weekend, for vacation, etc. All you have to do is let the PD know and they will keep an eye on your house for you. Oh, they also reported that they caught a bad guy when a neighbor called them because something didn't seem right. They WANT you to call.

Better safe than sorry. Let's look after each other and call, even if you are not sure. In the area of being safe, Rondalyn Baker has been studying ways to protect yourself from Identity Theft. One suggestion was to change our mail individual mail boxes to that of a lockable community mailbox system for all of Meadows Place. Let us hear from you on this. Send your thoughts and comments to the Mayor via e-mail or drop off a note at City Hall. Thanks.

 **Did You Know** that Haley Dippon & Katie Madsen brought home a first place in the Duet division on the MA National Dance Competition? This on the heels of their Trio Championship that included Katie Blazer. Congratulation ladies. Meadows Place is proud of you.

 **Did You Know** there will be no election this year? No one opposed those up for re-election. Thank You- but please — let us know what is on your mind and give us your ideas on what can make Meadows Place an even better place to live.

Cleaning and maintaining the unusual

Most of us know how to clean countertops, floors and laundry. However, some areas in the home require such infrequent attention, that the method for cleaning or maintenance may be questionable. Here are a few handy suggestions:

- Place gardening tools in a container of sand in order to prevent rust. For longer life, you may also want to treat the handles and working parts with oil or a silicone lubricant. This is especially helpful in humid areas.
- You can remove the dust from fragile items and silk plants with a blow dryer set at low heat, held about eight inches away.
- Ivory piano keys can be cleaned with a mixture of equal parts of white toothpaste (non-gel) and baking soda or plain milk. Use clean white socks on your hands to apply it and wipe the keys dry. Use a standard all-purpose cleaner on plastic piano keys.
- Clean a cloudy glass vase by filling it with water and dropping in a denture tablet or a few teaspoons of ammonia.
- Eliminate soap scum from your washing machine by pouring two cups of vinegar into it and running a rinse cycle
- Soaking golf balls in one cup of water mixed with one-fourth cup of ammonia will remove dirt and grass stains.
- Chandelier-style light fixtures can be brightened with a mixture of two teaspoons rubbing alcohol and a pint of warm water. Use a spray bottle to apply and hang an open umbrella upside down from the fixture to catch the drips.
- Remove dirt and dust from canvas awnings with a stiff brush and a naphtha soap. Scrub toward the direction of the seams. Rinse well. To prevent mildew, do not roll awnings until completely dry.
- Remove lint and other particles from your antique books with a dry paintbrush.

CHECK THE NEW PIT

Along with all the improvements going on at the playing fields and the park, the city now has a new BBQ pit. The BBQ pit is located at the park at Pender and Dorrance which will be dedicated and named McDonald Park.

Special thanks go out to Eagle Scout, Aaron Amador who with the assistance of Councilman Joe McCann is responsible for the construction of this BBQ pit. Aaron has put a lot of preparation and planning into a project of this size and the ending result is quite impressive. With some assistance and guidance from Councilman McCann the city park now has a very fine facility for outdoor family BBQ.

Take time to enjoy the city parks facilities and plan a family cook out using the new BBQ pit. You do not need to reserve the park or the BBQ pit to use it. We ask that you are courteous if someone is using the BBQ pit when you arrive and wait until they are finished for you to use the pit.

The Parks Department is always looking for new ideas and suggestions, if you have a cool idea give us a call at 281-983-2935.

If the demand calls for permitted use of the BBQ pit, we may implement a policy that BBQ pit users would need to reserve the pit through the Parks Department and a permit would be issued. Therefore, we would initiate a lock and key for that facility.

For now, go anytime and enjoy the fine outdoor cooking at your leisure.
